Large Size Compression Fittings
Made in Great Britain

Lamontite & ABCO® Large Size

Compression Fittings

Our Range of ABCO® Large Size Compression Fittings offer the highest quality Large Size Compression Fittings available on the market today.

Designed and made entirely in the UK. The ABCO® Range is an evolution of the Large Size Lamontite Range that has been the industry leader for many years.

We offer the full range of Tees, Couplings, Male and Female Connectors and Adaptors as well as several unique products such as our Imperial to Metric Couplings. We also have Gatevalves in 67mm, 76mm and 108mm and Stopcocks in 67mm and 76mm.

Our Large Size Compression Range Fittings are all demountable, allowing for east installation and re-installation with a spanner, no guns or tools needed.

- Mechanical, Heat-Free Joint
- Can be installed on wet pipework
- Compatible With Copper Tube Manufactured to BS EN 1057
- Can be used for
- Domestic
- Commercial
- Industrial
- Hot and Cold Water Services

We keep high levels of stock and most fittings are available

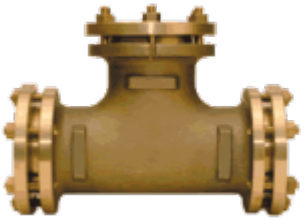

for next day delivery.

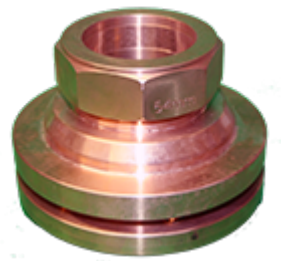

Please contact us for current prices.
