PN Flanges

We are the Principle distributor for JD Dunlops UK manufactured flanges. We can supply PN16 Bi Metal (steel outer, brass inner) and Gun Metal Screwed Flanges which are readily available off the shelf. Special orders can include PN6, Table D and Table E, Blank and Slip on Flanges.

We can also offer custom colouring on Bi Metal Flanges subject to a minimum order. Flanges can be used in gas, water, and sanitary applications. Like our ABCO Large size compression fittings all our flanges are designed and manufactured in the UK with the highest quality of metals.
