SpeedFit

New for 2024

Tough engineered plastic push-fit fittings and connectors for quick, easy, and secure pipe connections.

SpeedFit fittings allow for dependable, easy and fast connections, saving time without the need for tools. These fittings can be refitted allowing for on the job alterations.

SpeedFit fittings are suitable for both hot, cold water and central heating applications. These fittings are also fully demountable making system alterations and extensions quick and easy too. Suitable for hot and cold water and central heating systems.

We stock 15mm and 22mm Straights, Elbows, Tees, Inserts and Barrier Pipe.

Tough engineered plastic push-fit fittings and connectors for quick, easy, and secure pipe connections.
